ARTICLE V

DEDUCTIONS

A. The Selectmen agree to deduct dues for Local 3657 of the American Federation of State, County and Municipal Employees, AFL/CIO from the wages of bargaining unit employees if said employees individually and voluntarily authorize such deductions in writing to the Selectmen. Deductions shall be made on a bi-weekly basis and sent monthly to the Treasurer of Local 3657. The Union shall inform the Selectmen annually during the month of December of the correct name and address of said Treasurer and will certify in writing to the Selectmen the forthcoming rate of dues for the next calendar year.

B. If any employee who has voluntarily authorized the deduction of dues has no check coming or if that employee's check is not large enough to satisfy the dues, then no deduction will be made. In no case shall the Selectmen collect or attempt to collect fines and/or assessments for the Union beyond the regular membership dues.

C. Any employee who wishes to have the Selectmen discontinue the deduction of dues may do so provided such employee notifies the Director of Human Resources of that employee's desire to discontinue deductions within the thirty-day (30) period immediately preceding the annual anniversary date of the contract. Therefore, since the anniversary date of the contract is April 1st in any year, then an employee who desires to have the deduction of dues discontinued must notify the Director of Human Resources during the thirty-day (30) period immediately preceding April 1st in any year during the term of this Agreement.

The Union agrees to post a notice on the bulletin board immediately preceding the annual withdrawal period referred to in the preceding paragraph advising all Bargaining Unit employees that they may discontinue the deduction of dues by notifying the Director of Human Resources during said thirty-day (30) period. If the Union fails or neglects to post such notice, then, notwithstanding the provisions of the preceding paragraph, the discontinuance of the deduction of dues may be made during the thirty-day (30) withdrawal period and any time after the anniversary date of the contract.

The Director of Human Resources will notify the Treasurer of Local 3657 in writing within fourteen (14) days of the cancellation of a dues deduction authorization by an employee who has previously signed an authorization for such deduction.

D. Should there be a dispute between an employee, the Union and/or the Selectmen over the matter of deductions, the Union agrees to defend, indemnify and hold the Selectmen of the Town of Milford harmless in any such dispute.

E. Nothing in this Article shall be interpreted as requiring membership in the Union or the deduction of dues by any bargaining unit employee.

ARTICLE VI

WAGES

A. Employees covered by this Agreement shall be compensated according to the following.

B. It is acknowledged that this Agreement does not contain the traditional step wage system but reflects a merit-based pay grade structure which provides for compensation commensurate with an individual member of the Bargaining Unit's level of expertise and responsibility. Under this system and effective with this Collective Bargaining Agreement, pay grade will be determined by a minimum level of full-time experience combined with demonstrated proficiency for the level/pay grade sought by the individual. 2. In accordance with the Fact Finder's Report dated March 31, 2006 all new positions added to the bargaining unit after said date shall not be subject to the 4-3 schedule set forth in Article VII A.1. above. Rather, the Town shall have the right to configure the schedule of the new positions as it deems appropriate, providing that said schedule allows for two (2) consecutive days off and that the total annual number of scheduled hours worked, not including overtime hours, does not exceed the total number of scheduled hours worked by employees on the 4-3 schedule.
3. The patrol officers shall work days, evenings and midnights from 0700 until 1700, 1600 until 0200, and 2100 until 0700. They shall rotate shifts every four (4) months and shall bid for shifts by seniority. Any mandated movements in shifts shall be done by seniority.

ARTICLE VIII

SENIORITY, LAYOFF AND RECALL

A. There shall be two types of seniority:

1. **Department seniority**, which shall be determined by an employee's total time of continuous full-time employment in the Milford Police Department.
2. **Job classification seniority**, which shall be determined by an employee's continuous length of full-time service in the job classification of Patrol Officer's grade within the Town of Milford Police Department.

B. Newly-hired probationary employees shall not be covered by this Agreement until they have completed their probationary period as defined in Article IV and have become permanent full-time employees, at which time their seniority shall be computed from the date of their original hire.

C.

1. In the event of a formal layoff specifically designated as such and authorized by the Selectmen in any of the job classifications set forth in Section A.2. above, employees with the least job seniority in that classification shall be laid off first and assigned to the next lower job classification, if any, for which they have the necessary qualifications.

However, a laid off employee shall not be assigned to any such lower job classification unless that employee has longer department seniority than other employees in the lower job classification. If an employee is assigned to work in a lower job classification on a permanent basis, said employee shall be compensated at the wage rate assigned to that lower classification.

Displaced employees in the lower job classification shall have the same rights of reassignment as set forth in this section to other lower job classifications, if any, provided any such displaced employee has the necessary qualification to perform the reassigned lower job.

2. In the event of a recall to work after a formal layoff, notices of recall shall be sent by certified or registered mail or telegram to such employees who are available in the inverse order of their layoff and who, in the opinion of the Selectmen, have the necessary qualifications to perform the work required. Such notice of recall shall be sent to the qualified employee's last known address as shown on the Town records. The recall notice shall state the time and date on which the employee is to report back to work.

Article VIII – Seniority, Layoff and Recall

A recalled employee shall be given at least ten (10) work days' notice to report to work. In the event a recall is necessary on less than ten (10) work days' notice, the Town may call upon the laid off employees, either personally or by telephone, until an employee who, in the opinion of the Selectmen or the Selectmen's agent is qualified and able to return to work immediately is located. In such case, the qualified employee able to return to work immediately will be given a temporary assignment not to exceed ten (10) work days, and employees who are otherwise qualified to perform the work but were passed over because of their inability to return to work immediately will be given notice to report for work at the end of said ten (10) day period.

Qualified employees who have been given notices to report for work must make themselves available for such work assignment no later than the end of said ten (10) work day period after the notice has been given or they shall forfeit such seniority status as they have accrued with the Town. However, should there be no work assignment when the employee does report within the ten (10) days set forth herein, then the employee shall retain his seniority status and be entitled to another notice of recall.

D. An employee shall lose seniority and shall no longer be covered by the provisions of this Agreement for, but not limited to, the following reasons.

1. Discharge.
2. Voluntary quit, resignation, or retirement.
3. Failure to respond to a notice of recall.

8. Giving a false reason for a leave of absence.
9. Failure to return from layoff within ten (10) work days of notification of recall.

The Town's contributions to these plans shall be as follows:

10 the policy in effect as of the effective date of this Agreement.

It is agreed that an AFSCME Staff representative, and/or a Union selected insurance expert may attend each meeting and participate in the Union caucuses. ARTICLE XII

SICK LEAVE

A. The Town of Milford recognizes that from time-to-time, employees may be unable to work because of illness or injury. The Town also recognizes that employees may require time off to secure necessary treatment for disabilities and ailments. For these reasons, the Town provides paid sick days to full-time regular employees. Long-term illnesses may be covered under the Town's Short-term Disability and Long-term Disability plans. Please consult the appropriate policies provided to you for further details regarding these plans.

B. An employee's sick leave may be used solely for that employee's own illness or injury, however, up to forty (40) hours of accrued sick leave may be utilized per year for the care of the employee's spouse, children or parent(s).

C. Employees working the standard forty (40) hour week are permitted to take up to eighty (80) hours of sick time annually, to be pro-rated for employees working more or less than the standard work week. New employees shall accrue sick leave at a rate of 6.67 hours per month beginning the first of the month following the month of employment. Upon successful completion of the probationary period, the balance of the maximum eighty (80) sick leave hours for the current sick leave year which had not yet accrued will be credited to the employee's account. Probationary employees may not charge sick leave in advance of accrual.

D. In the event that a full-time regular employee uses sick leave in excess of eight (8) consecutive calendar days and is enrolled in the Town of Milford Short-Term Disability Program, the Town shall pay the difference between that employee's weekly rate of pay (less legal payroll deductions) and the amount received by said employee pursuant to the Short-Term Disability Program, after the employee has exhausted all sick, personal, holiday and vacation time against which to charge payments, exempting at any given time, a current balance of not more than forty (40) hours of annual leave (pro-rated for non-standard work week).

If an employee who returns to work following a six-month Short-term Disability Leave should have to go out on another Short-term Disability (for the same condition) within ninety (90) days of that employee's return to work from the first Short-term Disability Leave, then the Town will treat this event as the employee being on Long-term Disability and will not again make the employee "whole" during this second period of Short-term Disability absence except that the employee may use any unused leave time he/she may have available against which to charge time. In this instance, accumulation of all types of leave benefits will cease and insurance coverage will remain in effect only with the direct pre-payment by the employee, to the Finance Department, of the employee's usual and customary share of the monthly insurance premium(s) during the period of the Short-term disability."

Since disability income is subject to income tax, regular weekly pre-tax gross wages will be used as the basis of the calculation; overtime, bonuses, and other

supplemental payments will not be included. An employee on Short-Term Disability leave will not receive a wage rate increase until said employee returns to full-time regular employment, said increase to be retroactive to April 1st.

NOTE: The above provisions apply only to non-work related disabilities. Work-related injuries or illnesses are covered by the Town's Workers' Compensation Insurance policy and Paragraph E. The made whole provisions of this section do not apply to probationary employees.

E. In the event that an employee has been injured while in the performance of his/her duties, and that employee's Workers' Compensation Claim is accepted, then that employee shall be paid the difference between the employee's weekly rate of pay and the amount received by said employee pursuant to the Workers' Compensation Program (less legal payroll deductions, and less the amount of Federal Income Tax, FICA and Medicare the employee would have had withheld from his/her regular weekly pay) for a period not to exceed six (6) months from the date the injury occurred (excluding any waiting period required by Workers' Compensation law) - after the employee has exhausted all sick, personal, holiday, and vacation time against which to charge payments, exempting, at any given time, a current balance of not more than forty (40) hours of annual leave (pro-rated for non-standard work week). Regular weekly pre-tax gross wages will be used as the basis for the calculation-overtime, bonuses, and other supplemental payments will not be included. An employee on Workers' Compensation disability leave will not receive a wage rate increase until said employee returns to full-time, regular employment at which time said increase shall be retroactive to April 1st subject to performance review.

F. Effective January 1, 2012, all AFSCME members will transition to the Town of Milford's sick leave plan as follows (effective 4/1/19 – removed reference to days and using "hours" instead; sick hours changed from 64 to 80):

Officers – Regular full-time employees working the standard forty (40) hour week are permitted to take up to 80 hours of sick time annually to be prorated for employees working more or less than the standard work week. Probationary employees may not charge sick leave in advance of accrual.

If an employee uses no sick time during the year, the 80 hours would be converted to 40 hours of vacation time the following year, with the remaining time (40 hours) available to go into a "bank" system.

An employee will be allowed to "bank" up to a maximum of 150 hours of sick time (in addition to the 80 hours allowed each year) in order to have time against which to be made "whole" during a period of short-term disability or worker's compensation.

If any sick time is used during the year, there would be a corresponding loss of sick time. The first charge would be made against the banked time (maintaining the 40 hours of vacation time) and if more than 40 hours is used, all remaining time will be charged against vacation time.

2019-2023 POLICE UNION CONTRACT

With the addition of up to one additional week of vacation time if no sick time was used during the year and an employee was already at maximum accumulation, maximum accumulation would then be increased by 40 hours as shown below:

Years of Service as of Anniversary Date	Annual Vacation Allowance	Maximum Accumulation
1 through 5	80 hours (+ up to 40)	160 hours (120 + 40)
6 through 10	120 hours (+ up to 40)	220 hours (180 + 40)
11 through 25	160 hours (+ up to 40)	280 hours (240 + 40)
26 and over	200 hours (+ up to 40)	280 hours (240 + 40)

NOTE: No cash out of sick time or "banked" time would be made at termination or retirement.

G. Sick leave may be utilized for absences due to illness, injury, or exposure to contagious diseases endangering the health of other employees; when recommended by the attending physician; for medical, dental, or optical appointments with prior approval of the employee's supervisor, and for death within the immediate family in those rare cases where bereavement leave is not sufficient, as determined by the Chief of Police, or his designee. Sick leave shall be deducted on the basis of hours used.

H. Notification of absence due to sickness shall be given to the Senior Officer on duty at the time of the call prior to the start of the shift except in case of an emergency. If the senior officer on duty / officer in charge is not available, the employee calling must ask to speak to one of the Captains, or, if they are unavailable, to the Chief. If the Captains or the Chief are working a shift they are considered to be the senior officer on duty / officer in charge for that shift and should be contacted regarding notification in the first instance. Repeat notification should be given for subsequent days of illness. Failure to report such absence may, at the discretion of the Chief of Police, or his designee, be charged to leave without pay. The on duty Senior Officer will then assess the need for additional manpower and, notify the Captain or the Chief of Police of the situation.

I. Employees may be required to furnish to the Chief of Police, or his designee, a certificate from an attending physician or other licensed healthcare practitioner when sick leave exceeds three (3) consecutive work days, except that the Chief of Police, or his designee may, if concerned that an employee is not properly using Sick Leave, require that employee to provide a doctor's note or certificate for Sick Leave absences shorter than three (3) days. Such certificate shall contain a statement that, in the practitioner's professional judgment, sick leave, was, and is necessary. The Chief of Police, or his designee, will review such certification and determine whether it is adequate to justify the use of paid sick leave.

J. After consultation with the Chief of Police, or his designee, if an employee collecting Workers' Compensation benefits is capable of returning to work under the statutorily-authorized Temporary Alternate Duty Program, in the same capacity or another

2019-2023 POLICE UNION CONTRACT

1 position within the Town and the employee refuses to return to duty, the Chief of
2 Police shall have the option of terminating that employee.

3 K. In accordance with Federal and State laws, a female employee who is unable to
4 work due to pregnancy shall be considered temporarily disabled and shall be
5 extended the same benefits and be subject to the same policies as any disabled
6 employee. The employee shall submit documentation from her attending physician
7 indicating the date she is no longer able to work and an estimated date at to when
8 she will be able to resume her duties. When the actual return-to-work date is
9 determined by the attending physician, it will be the employee's responsibility to so
10 inform the Chief of Police, or his designee.

11 L. Parental Leave may be permitted under the auspices of the Town of Milford Family
12 Medical Leave Act Policy. Employees who do not qualify for Family Medical Leave,
13 may be permitted to use up to forty (40) hours of sick leave, if available, for this
14 purpose upon request and with the authorization of the Chief of Police, or his
15 designee.

16 M. An employee who utilizes sick leave on the day preceding or the day following
17 vacation time shall not be compensated for said vacation time, unless sick leave is
18 taken for pre-scheduled medical attention or the employee provides a Doctor's
19 certification of illness or injury.

1. The employee involved and the steward shall file the grievance in writing with the Chief of Police within twelve (12) calendar days from the date of the event which gave rise to the alleged grievance. The Chief of Police or designee shall render a decision within twelve (12) calendar days after the grievance was presented.

If the Union fails to submit such written request for the appointment of an arbitrator to the Public Employee Labor Relations Board within said fourteen (14) days, the grievance shall be deemed abandoned and no further action shall be taken with respect to such grievance.
2. The arbitrator shall not have the power to add, to ignore, or to modify any of the terms or conditions of this Agreement, nor shall said arbitrator have the power to hold hearings for more than one grievance, that is, multiple grievances before the same arbitrator will not be allowed. The parties will select a Factfinder by mutual agreement. In the event that such agreement is not reached, the PELRB shall appoint a Factfinder.
- E. The expenses of the arbitrator shall be borne by the party against whom the arbitrator has found. No costs shall be incurred by the party in whose favor the arbitrator makes his finding.
- F. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with an appropriate member of the Milford Police Department, and having the grievance adjusted without the intervention of the Union, provided the adjustment is not inconsistent with the terms of this Agreement and that the Union has been given the opportunity to be present at such adjustment and to state its views.

ARTICLE XIX

SAFETY ISSUES

- A. The Union, by and through a duly authorized and recognized member of the Bargaining Unit, shall immediately report any safety issue which may compromise the safety and well-being of its members during their hours of employment.

Following notification by the employee to the Chief or his designee, the Union will subsequently issue a written notice regarding said safety concern.

If damage occurs to the POV and the member of the bargaining unit is found not to be criminally at fault and the activity is one that was authorized by the Chief of Police or designee, or is a normal police purposeful act, or is considered to be an emergency law enforcement activity or one of mutual aid, the Town will consider on a case by case basis assisting the individual member of the bargaining unit with costs not covered by the member's own insurance. C. Disciplinary actions will normally be taken in the following order:

The Town may charge the employee a fee reasonably related to the cost of supplying the requested documents, however, the aforementioned does not in any way require the Town to disclose information in the personnel file of the requesting employee who is the subject of an investigation at the time of his/her request if disclosure of such information would prejudice law enforcement; or information relating to a government security investigation.

ARTICLE XXI

The parties agree to meet to negotiate with respect to the specific article, section or portion of this Agreement which has been found to be contrary to law or unenforceable, but neither party will be required to make any concession in order to reach agreement on the article, section or portion of this Agreement in question.
